General Questions

Q1. How do I track my order?

Open My Orders in the app, select the order and tap Track. You will see the current status: Placed, Packed, Shipped, Out for Delivery or Delivered. You also receive an SMS at each major stage.

Q2. Can I change my delivery address after placing an order?

Yes, but only if the order status is still Placed or Packed. Contact live chat and request an address change. Once the order is Shipped, the address cannot be changed and you should contact the rider when they call.

Q3. What if the rider does not call me?

Riders attempt delivery up to 3 times. If you missed the calls, contact support with your order number and ask for a re-attempt. After 3 failed attempts the order returns to the warehouse and is cancelled.

Q4. I received a different product from what I ordered. What should I do?

Do not use the product. Raise a Wrong Item request within 7 days of delivery with clear photos of the product, label and packaging. A free pickup will be arranged and a replacement or refund will be issued.

Q5. Is Cash on Delivery available everywhere?

COD is available in most cities for orders up to Rs. 50,000. Some remote areas may be online-payment only. The checkout page shows the available payment options for your address.

Q6. Are my card details stored?

Card details are processed by PCI-DSS compliant payment partners. Daraz only stores the last 4 digits and card brand for display.

Q7. I was charged twice. What now?

Share the order number and the transaction screenshot with support. Duplicate charges are reviewed within 5 working days, and the extra amount is refunded to the original payment method.

Q8. How do I report a fake product?

Use Report Seller on the product page or contact support. Suspected counterfeit items are removed within 24 hours of a verified report, and buyers are refunded in full.

Q9. Can I speak to someone in Urdu?

Yes. All support channels offer Urdu, English and Roman Urdu.
