

Failed Delivery and Rider Conduct Policy

Document ID: DL-004 | Version 3.2 | Effective: 1 January 2026 | Department: Delivery

1. Delivery Attempts

The logistics partner makes up to 3 delivery attempts on consecutive working days. Before each attempt the rider calls the customer twice. If the customer does not answer, the attempt is marked failed.

2. After Failed Attempts

- After the 3rd failed attempt the parcel is returned to the warehouse
- Prepaid orders are refunded after the parcel is received back
- COD orders are cancelled with no charge
- Customers with 3 or more COD failed deliveries in 90 days may be limited to online payment only

3. Customer Requests a Re-attempt

Customers can ask for a re-attempt or a new time slot through live chat or the Track Order page before the 3rd attempt. Re-attempt requests are limited to one per order.

4. Customer-Not-Available Rules

If the customer asks the rider to come back later, this counts as one of the 3 attempts. Customers may authorise a family member to receive the parcel by sharing the OTP with them.

5. Rider Code of Conduct

- Riders must wear the logistics partner uniform and ID card
- Riders must not ask for tips, extra fees or payment beyond the order amount
- Riders must not open the parcel unless asked for verification
- Riders must treat customers respectfully
- Riders must not demand a review or rating

6. Reporting a Rider

To report rider misconduct, contact support with the order number and a description. Complaints are investigated within 3 working days and can lead to warnings, suspension or removal of the rider. Serious cases are escalated under the Complaint Escalation Policy (CS-002).

7. Lost Parcels

A parcel is marked lost if it cannot be traced for 7 working days after the last tracking update. The customer receives a full refund within 3 working days of the lost status, or a replacement if available.
