

Cash on Delivery (COD) Policy

Document ID: PY-002 | Version 3.2 | Effective: 1 January 2026 | Department: Payments

1. Availability

COD is available in most cities for orders with a total value up to Rs. 50,000. COD may not be offered for certain categories, such as gift cards, pre-order items and very high-risk products. Some remote areas may be limited to online payment only.

2. COD Rules

- Pay the exact amount; riders carry limited change
- Only cash in Pakistani Rupees is accepted
- Payment is required before the rider hands over the parcel
- Customers may inspect the outer packaging but may not open the parcel before paying unless the listing offers Open Parcel
- Open Parcel checks apply only to selected Daraz Mall items

3. COD Handling Fee

A COD handling fee of Rs. 50 may be added to orders below Rs. 1,500 in Zones C and D. The fee, if any, is shown at checkout and is not refunded unless the order is cancelled before shipment.

4. Failed COD Deliveries

Customers with 3 or more failed or refused COD deliveries in 90 days may have COD disabled on their account. They may continue ordering using online payment methods. COD can be re-enabled after 90 days without further failed deliveries.

5. COD Refunds

COD orders are refunded to the customer's bank account or mobile wallet (JazzCash or Easypaisa), never in cash. The name on the account must match the name on the Daraz account. See Refund Methods (RF-003) for the exact timelines.

6. Counterfeit Notes

Riders are trained to check notes. If a counterfeit note is given to a rider, the payment is treated as unpaid and the customer remains liable.

7. Safe Payment Advice

Customers should only pay the rider the amount shown on the order. Daraz never asks for advance payment to a personal account for COD orders.
