

Seller Fees, Commission and Payouts

Document ID: SL-003 | Version 3.2 | Effective: 1 January 2026 | Department: Sellers

1. Fee Structure

Daraz charges a commission on each item sold, plus a payment processing fee. Registration and listing are free.

2. Commission by Category

Category	Commission
Mobile phones and accessories	3% - 5%
Electronics and computing	4% - 6%
Home appliances	5% - 7%
Fashion and apparel	8% - 10%
Beauty and health	7% - 9%
Groceries	4% - 6%
Home and living	6% - 8%
Books, toys and stationery	5% - 8%

3. Payment Processing Fee

A payment processing fee of 2% of the order value (including shipping) applies on prepaid orders. A COD handling fee of Rs. 50 per order applies on Cash on Delivery orders.

4. Shipping Fee Settlement

Delivery charges paid by the customer are passed to the logistics partner. For orders where the seller offers free shipping, the shipping cost is deducted from the seller's payout.

5. Payout Cycle

- Payouts are released weekly, every Wednesday
- An order becomes eligible for payout 7 days after it is marked Delivered
- Orders with open returns or disputes are held until resolved
- Payouts are sent to the bank account registered in the Seller Center
- New sellers have a 14-day payout hold on their first 3 orders for verification

6. Minimum Payout

The minimum payout amount is Rs. 500. Balances below this amount are carried forward to the next cycle.

7. Deductions

- Refunds approved against the seller for returns, less shipping if the fault is the customer's
- Penalty charges under SL-004
- Advertising spend (Sponsored Discovery), if opted in

- Unpaid subscription or service fees

8. Statements

Sellers can download a detailed statement of account from Seller Center > Finance. Statements show orders, commission, fees, refunds, penalties and net payout for each week.
