

Seller Performance and Penalty Policy

Document ID: SL-004 | Version 3.2 | Effective: 1 January 2026 | Department: Sellers

1. Performance Metrics

Metric	Target	Penalty Threshold
Late dispatch rate	Below 5%	Above 10%
Seller-cancelled orders	Below 2%	Above 5%
Return rate (seller fault)	Below 5%	Above 10%
Chat response rate	Above 90%	Below 70%
Customer rating	4.0 or higher	Below 3.0

2. Penalty Points

Violation	Points
Late dispatch	1 point per order
Seller cancellation after confirmation	2 points per order
Wrong item sent	2 points per order
Rude behaviour with customer	3 points
Requesting off-platform payment	5 points
Selling counterfeit goods	10 points and immediate suspension

3. Actions by Points Total

Points in 90 Days	Action
5 - 9	Warning email
10 - 14	Listings hidden from search for 7 days
15 - 19	Store suspended for 14 days
20 or more	Permanent ban review

4. Appeals

Sellers may appeal a penalty within 7 days from the notice. The appeal must include evidence such as courier receipts, chat screenshots or photos. The Seller Support team decides within 5 working days.

5. Counterfeit Goods

Selling counterfeit goods leads to immediate store suspension, removal of all listings, and withholding of the seller's balance pending investigation. Daraz may report the matter to the relevant authorities and brand owners.

6. Account Reactivation

A suspended store may apply for reactivation after the suspension period. The seller must complete a refresher course and a Rs. 5,000 reinstatement fee may apply. Permanently banned sellers may not open new accounts.

7. Incentives

Sellers maintaining a rating of 4.5 or higher and a late dispatch rate below 2% for 3 months qualify for the Preferred Seller badge, priority in search ranking and a 1% commission reduction.
